

ProCredit Bank Bulgaria is part of the German ProCredit group, which is headquartered in Frankfurt, Germany.

The bank has been operating in Bulgaria for 20 years. It is well known for its innovative and digital banking approach to small and medium-sized companies and to private individuals who would like to save. In our operations, we adhere to a number of core principles: we value transparency in our communication with customers, we do not promote consumer lending, we strive to minimise our ecological footprint, and we provide services which are based both on an understanding of each client's situation and on sound financial analysis.

What can you expect from the IT Internship Programme at ProCredit Bank?

During your internship with us you will have the opportunity to be part of our dynamically developing team. You will also have the opportunity to actively participate in the software development process and its maintenance. During the internship, you will receive all the necessary materials and the opportunity to apply theory to practice.

The programme is open throughout the whole year – different internship positions in our:

- Applications and Database Administration
- Infrastructure and Service Desk
- Business analysis
- Information security
- Software Development
- Test and Quality Assurance Units.

Each intern receives assignments based on their level of knowledge. We aim for a rhythmic two-way regular feedback loop. By joining an Agile team, the intern has the opportunity to participate in real projects and receives feedback on the performance of specific tasks. By getting the opportunity to work in a real environment, the knowledge development is faster and is focused on real cases.

What we expect from our future interns:

- proactive and responsible attitude towards the assigned tasks
- desire to acquire new knowledge, improve skills and develop in the field
- positive and team player attitude
- very good level in English language

Our offer:

- full time or flexible working hours
- friendly working atmosphere
- acquisition of practical knowledge and skills
- opportunities for further trainings and long term career development

The duration of the internship is from 6 to 12 months. Flexible working hours tailored to your schedule at university.

The internship is paid, based on performed hours per month.

You can send your CV to: **it-careers@procreditbank.bg**.

We are looking forward to getting to know you better.

Your application will be treated with strict confidentiality and in compliance with the legal requirements for personal data protection.
