

Business Consultant

with English and German

Hitachi Solutions Europe has several opportunities for graduates who are based in Bulgaria. Applicants should have a keen interest in technology, plus a desire to pursue an international career in consulting.

Hitachi Solutions launched its Graduate Recruitment Scheme to inspire the next generation of Hitachi Consultants. Working within our team in Bulgaria, the programme is an exciting opportunity to be part of a company that believes in investing in people for the future. The scheme fits perfectly with the Hitachi Solutions company vision of growth and our slogan of Inspiring the World. Working with Hitachi Solutions offers a fantastic prospect to be part of a company that thinks ahead. As such, we actively encourage applications from the very best graduates who share our passions.
